📍 Kerman, Iran

Profile Summary

Motivated Front End Developer with a passion for creating visually stunning and user-friendly websites. With experience in Html, Css and styling libraries and JavaScript and frameworks such as ReactJS for client-side rendering, NextJS for server-side rendering, I have excellent problem-solving and detail-oriented abilities. I thrive in a collaborative and fast-paced environment, delivering projects on time and exceeding client expectations. Looking for exciting opportunities to contribute my expertise and creativity to a dynamic organization.
